

Get Your Express Card

For those of you unfamiliar with this program, it simply means that when you check-in, you will register your credit card by filling out the form below, you will then be issued an "Express Card" with an ID number that allows you to "charge" your purchases of Silent & Chance Auction items.

We will then charge your credit card for your accumulated purchases, and if you include an e-mail address, we will send you a copy of your charges for your records.

What it really means is not having to fill out a credit card slip at the end of the evening. If no purchases are made the slip will be destroyed.

Sorry, you are on your own for the Cash Bar, etc.!
